Notes to the Notice of the Annual General Meeting:

1. A member is entitled to attend and vote at the Annual General Meeting provided that all calls due from him in respect of his shares have been paid. A member is also entitled to appoint one or more proxies to attend and, on a poll, vote instead of him. The proxy need not be a member of the Company.
2. Pursuant to article 18.7 of the Company's Articles of Incorporation, a resolution put to the vote shall be decided on a show of hands or by a poll at the option of the Chairman.
3. A form of proxy is enclosed with this notice. To be effective, the instrument appointing a proxy (together with any power of attorney or other authority under which it is executed or a duly certified copy of such power) must be sent to Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF, no later than 10.30 a.m. on Wednesday, 27 November 2019, or not less than 48 hours before the time for holding any adjourned meeting, as the case may be. A corporation may execute a proxy under its common seal or by the hand of a duly authorised officer or other agent. Completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the meeting.
4. The quorum for the Annual General Meeting is at least two Shareholders present in person or by proxy.
5. Resolutions 1 - 9 are proposed as ordinary resolutions and will be passed if approved by a simple majority, with the exception of Resolution 8 which is proposed as a special resolution. The ordinary resolutions will be passed at the meeting on a show of hands if they are respectively approved by a simple majority of the members voting in person or by proxy. The ordinary resolutions, if passed on a poll taken at the Annual General Meeting will be passed if approved by the members representing a simple majority of the total voting rights of members voting in person or by proxy. Resolution 8 is a special resolution and will be passed if approved by a majority of not less than 75 percent. The procedures on a show of hands and a poll are the same for an ordinary resolution, except that the majority to achieve is not less than 75 percent.
6. In accordance with the Regulation 41 of the Uncertificated Securities (Guernsey) Regulations 2009 and Article 19.6 of the Company's Articles of Incorporation, only those members entered in the Register of Members of the Company at close of business on Wednesday, 27 November 2019 shall be entitled to attend or vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
7. CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 29 November 2019 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
8. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (the CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Asset Services (Crest Participant RA10) by no later than 9.00 a.m. on 27 November 2019. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Asset Services is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions, it is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34(1) of the Uncertificated Securities (Guernsey) Regulations, 2009.
10. The Register of Directors' Interests kept by the Company shall be available for inspection at the Registered Office of the Company by any member between the hours of 10.00 a.m. and 12.00 noon on any Business Day for a period of 14 days before and ending three days after the Annual General Meeting. The Register of Directors' Interests shall be produced at the commencement of the Annual General Meeting and shall remain open and accessible during the continuance of the Annual General Meeting to any person attending such meeting.

EXPLANATORY NOTES:

Directors' remuneration report – resolution 2:

Guernsey-registered companies are not obliged to prepare and publish a Directors' Remuneration Report. However, the Company has included details of its Directors' remuneration within the Annual Report and Accounts and an ordinary resolution will be put to Shareholders seeking approval of the Directors' remuneration. The Shareholder vote will be advisory only, but the Directors of the Company will take the outcome of the vote into consideration when reviewing and setting the Company's remuneration policy.

Directors' re-appointment – resolutions 5, 6 & 7

In accordance with the AIC Code, each Director is subject to retirement and annual re-election on an annual basis. It is felt that any further change in the Board's composition at this moment of the Company's life, would not be in the best interests of the Company and its Shareholders as a whole. The Board have considered the issue of independence in adherence to best governance practice and determined that at such point in the life of the fund, it would be in the greater interests of Shareholders to maintain existing board composition.

The Board has undertaken an evaluation of the performance of the individual Directors. This evaluation took the form of questionnaires to determine effectiveness and performance in various areas. Following this formal evaluation, the Chairman confirms that the performance of each of the Directors continues to be effective and to demonstrate commitment to their respective roles. The Board, therefore, believes that each of the Directors should be elected as there is a good mix of skills and this is demonstrated by the biographies contained in the Annual Report, published on 7 October 2019.

Authority to Buy-Back shares – resolution 8

This resolution renews the share buy-back authority that was given by Shareholders at the Annual General Meeting held on 12 November 2018. Resolution 8 gives the Directors authority to make market purchases of the Company's own shares, up to 14.99 percent of the Company's issued share capital (as at the time immediately following the passing of the resolution) and subject to minimum and maximum purchase prices. This authority will only be invoked if, after taking proper advice, the Directors consider that benefits will accrue to Shareholders generally.

Extension to the life of the Company – resolution 9

Pursuant to the resolutions passed at the Annual General Meeting (AGM) in 2016, the Company will be subject to an annual continuation vote. The first Continuation Resolution was passed at the General Meeting held on 5 July 2018. The forthcoming Continuation Resolution is required to be proposed to Shareholders no later than 30 November 2019 (as set out in the Articles – an extract of which is detailed below), and the Directors recommend Shareholders to vote in favour of this resolution.

The Board have considered and believe it in the best interest of Shareholders as a whole to grant an extension of the life of the Company in order to dispose of any remaining company assets with potentially more favourable distributions to investors. It is likely that returns from sales of properties would be lower if the Company was forced to sell as a result of discontinuation.

ARTICLES OF INCORPORATION:

38. DURATION

The Company shall, no later than 30 November 2018 and no later than 30 November in each successive year, convene a general meeting (which may be an annual general meeting) at which an ordinary resolution will be proposed that the life of the Company be extended (the "Annual Resolution") until the next Annual Resolution is put to Shareholders provided that such Annual Resolution shall be put to Shareholders not before the first anniversary of the preceding Annual Resolution being passed and not later than 30 November in each successive year. If, in any year, such ordinary resolution is not passed, the Directors shall formulate proposals to be put to Members to reorganise, unitise, reconstruct, or wind up the Company.
