The Company is closely monitoring the Covid-19 situation, including the Guernsey government guidance, and will continue to do so in the lead up to the Annual General Meeting.

The Guernsey government guidance on reducing social interactions between people (social distancing) to reduce the transmission of Covid-19, and specifically the avoidance of large gatherings and non-essential travel, has been eased. Currently, the Guernsey government have implemented a mandatory isolation period for people travelling to the island, which might make in-person attendance at the AGM impracticable for shareholders, corporate representatives or proxies who would need to travel to Guernsey to attend in person. Shareholders should carefully consider whether or not it is appropriate to attend the meeting in person this year if the guidance continues to be the same or becomes even more restrictive. The situation in respect of Covid-19 is developing rapidly and shareholders should note that further changes may need to be put in place at short notice in relation to the AGM this year. If a shareholder appoints someone other than the Chairman of the Meeting as their proxy, that proxy may not be able physically to attend the AGM or cast the shareholder's vote. As such, the Board encourages all shareholders to appoint the Chairman of the Meeting as their proxy as early as possible in order to vote on the matters being considered at the meeting.

This 10th day of November 2020.

5. Resolutions 1 – 6 and 9 are proposed as ordinary resolutions and Resolutions 7 and 8 are proposed as special resolutions. Resolutions 7 and 8 are special resolutions and will be passed if approved by a majority of not less than 75%. The procedures on a show of hands and a poll are the same for an ordinary resolution, except that the majority to achieve is not less than 75%.
6. In accordance with the Regulation 41 of the Uncertificated Securities (Guernsey) Regulations 2009 and Article 19.6 of the Company's Articles of Incorporation, only those members entered in the Register of Members of the Company at close of business on Thursday, 26 November 2020 shall be entitled to attend or vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
7. 8. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (the CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("**Euroclear**") specifications and must contain the information required for such instructions, as described in the CREST Manual. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Asset Services is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions, it is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34(1) of the Uncertificated Securities (Guernsey) Regulations, 2009.
10. The Register of Directors' Interests kept by the Company shall be available for inspection at the Registered Office of the Company by any member between the hours of 10.00 am and 12.00 noon on any Business Day for a period of 14 days before and ending 3 days after the Annual General Meeting. The Register of Directors' Interests shall be produced at the commencement of the Annual General Meeting and shall remain open and accessible during the continuance of the Annual General Meeting to any person attending such meeting.

EXPLANATORY NOTES:

Directors' remuneration report – resolution 2:

Guernsey-registered companies are not obliged to prepare and publish a Directors' Remuneration Report. However, the Company has included details of its Directors' remuneration within the Annual Report and Accounts and an ordinary resolution will be put to Shareholders seeking approval of the Directors' remuneration. The Shareholder vote will be advisory only, but the Directors of the Company will take the outcome of the vote into consideration when reviewing and setting the Company's remuneration policy.

Auditor appointment and remuneration – resolution 3

The Audit Committee is carrying out an audit tender process which was referred to in the Company's Annual Report in accordance with the guidelines and practice set out in the AIC code which the Company follows. The Board expects that the tender and evaluation process will conclude shortly, at which point it will be in a position to confirm the appointment of the Company's statutory auditor for the 2020/2021 financial period on the recommendation of the Audit Committee. Resolution 3 authorises the Directors to determine the remuneration payable to the statutory auditor in connection with such appointment.

Directors' re-appointment – resolutions 4, 5 & 6

In accordance with the AIC Code, each Director is subject to retirement and annual re-election on an annual basis. It is felt that any further change in the Board's composition at this moment of the Company's life, would not be in the best interests of the Company and its Shareholders as a whole. The Board have considered the issue of independence in adherence to best governance practice and determined that at such point in the life of the fund, it would be in the greater interests of Shareholders to maintain the existing board composition.

The Board has undertaken an evaluation of the performance of the individual Directors. This evaluation took the form of questionnaires to determine effectiveness and performance in various areas. Following this formal evaluation, the Chairman confirms that the performance of each of the Directors continues to be effective and to demonstrate commitment to their respective roles. The Board, therefore, believes that each of the Directors should be elected as there is a good mix of skills and this is demonstrated by the biographies contained in the Annual Report, published on 8 October 2020.

Articles of Incorporation – resolution 7

This resolution proposes amendment to the current Articles of the Company, giving flexibility for the date to convene a General Meeting in each successive year to hold a continuation vote for any proposals to extend the life of the Company. Furthermore, the proposed amendments also address offshore requirements in-light of travel restrictions and guidelines as set by the Guernsey Civil Contingencies Authority. This will help facilitate the virtual attendance of Directors at Board meetings where ongoing travel restrictions and social distancing guidelines prohibit them from travelling to Guernsey to attend Board meetings.

Authority to Buy-Back shares – resolution 8

This resolution renews the share buy-back authority that was given by Shareholders at the Annual General Meeting held on 29 November 2019. Resolution 8 gives the Directors authority to make market purchases of the Company's own shares, up to 14.99 per cent. Of the Company's issued share capital (as at the time immediately following the passing of the resolution) and subject to minimum and maximum purchase prices. This authority will only be invoked if, after taking proper advice, the Directors consider that benefits will accrue to Shareholders generally.

Extension to the life of the Company – resolution 9

Pursuant to the resolutions passed at the Annual General Meeting in 2016, the Company will be subject to an annual continuation vote ("**Continuation Resolution**"). The last Continuation Resolution was passed at the General Meeting held on 29 November 2019. The forthcoming Continuation Resolution is required to be proposed to Shareholders no later than 30 November 2020 (as set out in the Articles – an extract of which is detailed below), and the Directors recommend Shareholders to vote in favour of this resolution.

The Board have considered and believe it is in the best interests of Shareholders as a whole to grant an extension of the life of the Company in order to dispose of any remaining company assets. It is likely that returns from sales of properties would be lower if the Company was forced to sell as a result of discontinuation.

CURRENT ARTICLES OF INCORPORATION:

38. DURATION

The Company shall, no later than 30 November 2018 and no later than 30 November in each successive year, convene a general meeting (which may be an annual general meeting) at which an ordinary resolution will be proposed that the life of the Company be extended (the "**Annual Resolution**") until the next Annual Resolution is put to Shareholders provided that such Annual Resolution shall be put to Shareholders not before the first anniversary of the preceding Annual Resolution being passed and not later than 30 November in each successive year. If, in any year, such ordinary resolution is not passed, the Directors shall formulate proposals to be put to Members to reorganise, unite, reconstruct, or wind up the Company
