A corporation may execute a proxy under its common seal or by the hand of a duly authorised officer or other agent. Completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the meeting.
4. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion or withhold from voting.
5. The quorum for the Annual General Meeting is at least two Shareholders present in person or by proxy.

Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
8. CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 21 December 2023 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (the CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited's ("**Euroclear**") specifications and must contain the information required for such instructions, as described in the CREST Manual. On Tuesday, 19 December 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions, it is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34(1) of the Uncertificated Securities (Guernsey) Regulations, 2009.

Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. EXPLANATORY NOTES:

Directors' remuneration report – resolution 2:

Guernsey-registered companies are not obliged to prepare and publish a Directors' Remuneration Report. However, the Company has included details of its Directors' remuneration within the Annual Report and Accounts and an ordinary resolution will be put to Shareholders seeking approval of the Directors' remuneration. The Shareholder vote will be advisory only, but the Directors of the Company will take the outcome of the vote into consideration when reviewing and setting the Company's remuneration policy.

Directors' appointment and re-appointment – resolutions 5, 6 & 7

In accordance with the Companies (Guernsey) Law, 2008, as amended, the AIC Code and the Company's Articles of Association, each Director is subject to retirement and annual re-election on an annual basis. It is felt that any further change in the Board's composition at this moment of the Company's life, would not be in the best interests of the Company and its Shareholders as a whole. The Board have considered the issue of independence in adherence to best governance practice and determined that at such point in the life of the fund, it would be in the greater interests of Shareholders to maintain the existing board composition.

The Board has undertaken an evaluation of the performance of the individual Directors. This evaluation took the form of questionnaires to determine effectiveness and performance in various areas. Following this formal evaluation, the Chairman confirms that the performance of each of the Directors continues to be effective and to demonstrate commitment to their respective roles. The Board, therefore, believes that each of the Directors should be elected as there is a good mix of skills, experience and knowledge of the Macau assets and market conditions, and this is demonstrated by the biographies contained in the Annual Report, published on 6 October 2023.

Authority to Buy-Back shares – resolution 8

This resolution renews the share buy-back authority that was given by Shareholders at the Annual General Meeting held on 13 December 2022. Resolution 8 gives the Directors authority to make market purchases of the Company's own shares, up to 14.99 per cent. of the Company's issued share capital (as at the time immediately following the passing of the resolution) and subject to minimum and maximum purchase prices. This authority will only be invoked if, after taking proper advice, the Directors consider that benefits will accrue to Shareholders generally.

Extension to the life of the Company – resolution 9

Pursuant to the resolutions passed at the Annual General Meeting in 2016, the Company will be subject to an annual continuation vote ("**Continuation Resolution**"). The last Continuation Resolution was passed at the General Meeting held on 13 December 2022.

The Directors recommend Shareholders to vote in favour of this resolution.

The Board have considered and believe it is in the best interests of Shareholders, as a whole, to grant an extension of the life of the Company in order to dispose of any remaining Company assets. It is likely that returns from sales of properties would be lower if the Company was forced to sell as a result of discontinuation. For further information, please refer to the AGM cover letter.
