The Company will not make any material change in the investment objective and policy of the Company without the approval of Members by ordinary resolution.

4. **SHARES**

- 4.1 Subject to the other provisions of these Articles, the Directors may exercise the power of the Company to issue an unlimited number of shares, to grant rights to subscribe for, or to convert any security into, shares, to issue shares of different types or classes, to issue shares with par value and to determine the consideration payable on the issue of such shares. Shares may be issued as ordinary shares or such other classes of shares as the Board shall determine, in each case of such classes and denominated in such currencies, as shall be determined at the discretion of the Board and the price per share at which shares of each class shall first be offered to subscribers shall be fixed by the Board.
- 4.2 Subject to the terms and rights attaching to shares already in issue and these Articles, any new shares shall be of such class and amount and have such preference or priority as regards dividends or in the distribution of assets or as to voting or otherwise over any other shares of any class whether then issued or not or be subject to such stipulations deferring them to any other shares with regard to dividends or in the distribution of the assets as the Board may determine.
- 4.3 Unless otherwise determined by Extraordinary Resolution of the Company and subject to Articles 4.5 and 4.7, any Relevant Securities which are to be allotted wholly for cash or any Relevant Securities held in treasury that are to be sold wholly for cash shall, before they are allotted or sold be offered on the same or more favourable terms to: (i) the holders of Relevant

Securities of the same class; and (ii) the holders of any other Relevant Securities who are entitled to be offered them, in proportion to the numbers of Relevant Securities of the relevant classes held by them respectively (excluding for this purpose any Relevant Securities of the relevant classes held by the Company in treasury).

4.4 The offer pursuant to Article 4.3 shall be made by notice specifying the number and class of Relevant Securities offered and the price per Relevant Security and shall invite each holder to whom the offer is made in accordance with Article 4.3 to state in writing within a period not being less than 21 calendar days whether they are willing to accept any of the Relevant Securities and, if so, the maximum number of Relevant Securities that they are willing to accept. If the offer is not accepted within such period it will be deemed to be declined. After the expiration of such time, or on receipt of an indication from the person to whom the offer is made that he wishes to accept only some of the Relevant Securities offered, the Directors may offer the Relevant Securities which have not been accepted in such manner as they see fit, subject to Articles 4.6 and 4.7.

4.5 Article 4.3 does not apply in the following circumstances:

4.5.1 where the Company undertakes a rights issue or open offer provided the disapplication of Article 4.3 is with respect to:

(a) Relevant Securities representing fractional entitlements; or

(b) Relevant Securities which the Company considers necessary or expedient to exclude from the offer on account of the laws or regulatory requirements of a territory other than Guernsey or the United Kingdom; and

4.5.2 where the Company sells Relevant Securities held in treasury to an employee share scheme (as such term is defined in section 1166 of the Companies Act 2006 of the United Kingdom); and

4.5.3 where the Company issues shares pursuant to the exercise or conversion of any rights attaching to Relevant Securities that were themselves issued in compliance with these Articles; and

4.5.4 the issue of any Relevant Securities pursuant to any scrip dividend scheme implemented by the Company in accordance with these Articles, or any bonus issue of shares; and

4.5.5 where the consent of the Company's Members is obtained to the disapplication of Article 4.3 by an Extraordinary Resolution.

4.6 No Relevant Security to which Article 4.3 applies shall be issued more than three months after the expiry of the period for acceptance of the last offer of such Relevant Securities made under

Article 4.3 unless the procedure set out in that Article is repeated in respect of such Relevant Securities (and so that the time limit set out in this Article 4.6 shall apply equally to any repetition of that procedure).

4.7 No Relevant Securities to which Article 4.3 applies shall be issued at a price less than that at which they were offered to the Members of the Company in accordance with Article 4.3.

4.8 For the purposes of any disapplication of Article 4.3 by Extraordinary Resolution, Relevant Securities that grant rights to subscribe for, or to convert into, shares shall be deemed to relate to such number of shares into which such Relevant Securities may convert pursuant to their initial terms of issue, notwithstanding any terms providing for subsequent adjustment of that number, and for the avoidance of doubt no additional shareholder authority shall be required in the event that that number of shares is adjusted pursuant to those initial terms of issue.

4.9 [NOT USED]

4.10 The Company may from time to time, subject to the provisions of the Laws, purchase its own Relevant Securities (including any redeemable shares) and may hold any such Relevant Securities as treasury shares in any manner authorised by the Laws.

4.11 If at any time the shares of the Company are divided into different classes, all or any of the rights for the time being attached to any share or class of shares (and notwithstanding that the Company may or may be about to be in liquidation) may be varied or abrogated in such manner (if any) as may be provided by such rights or, in the absence of any such provision, either with the consent in writing of the holders of not less than three-quarters of the capital committed or agreed to be committed in respect of the issued shares of the class or with the sanction of an Extraordinary Resolution passed at a separate general meeting of the holders of shares of the class duly convened and held as provided in these Articles, but so that the quorum at such meeting (other than an adjourned meeting) shall be two persons holding or representing by proxy at least one third of the capital committed or agreed to be committed in respect of the issued shares of the class in question.

4.12 The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not (unless otherwise expressly provided by the terms of issue of the shares of that class) be deemed to be varied by (a) the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto or (b) the purchase or redemption by the Company of any of its own shares.

4.13 The special rights conferred upon the holders of any shares or class of shares issued with preferred, deferred or other special rights shall not be deemed to be varied by the exercise of

any powers under Article 9.

- 4.14 For the avoidance of doubt, it is hereby declared that a resolution to increase the share capital of the Company shall not be regarded or deemed as varying, modifying or abrogating the special rights conferred upon the holders of any shares issued with preferred, deferred or other special rights.
- 4.15 Subject to the provisions of these Articles the unissued shares shall be at the disposal of the Board which may allot, grant options over (including, without limitation, by way of granting phantom stock, stock appreciation rights or other similar rights) and attach to an unlimited number of such shares preferred, deferred or other special rights or such restrictions, whether in regard to dividend, voting, return of capital or otherwise dispose of them to such persons on such terms and conditions and at such times as the Board determines but so that the amount payable on application on each share shall be fixed by the Board as determined from time to time.
- 4.16 Where an authorisation to issue shares or grant rights to subscribe for or to convert any security into shares specifies and expires on any date, event or circumstance, the Directors may issue shares or grant rights to subscribe for or to convert any security into shares after the expiry of such authorisation if the shares are issued or the rights are granted, in pursuance of an offer or agreement made by the Company before the authorisation expired and the authorisation allowed the Company to make an offer or agreement which would or might require shares to be issued, or rights to be granted, after the authorisation had expired.
- 4.17 The Company may pay commission in money or shares to any person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any shares in the Company or procuring or agreeing to procure subscriptions whether absolute or conditional for any shares in the Company provided that the rate or amount of commission shall be fixed by the Board. The Company may also pay brokerages.
- 4.18 The Directors may at any time after the allotment of any share but before any person has been entered in the Register as the holder:
- 4.18.1 recognise a renunciation thereof by the allottee in favour of some other person and accord to any allottee of a share a right to effect such renunciation; and/or
- 4.18.2 allow the rights represented thereby to be one or more participating securities,
- in each case upon and subject to such terms and conditions as the Directors may think fit to impose.
- 4.19 The Company and any of its subsidiary companies may give financial assistance (as defined by the Laws) directly or indirectly for the purpose of or in connection with the acquisition of its

shares or in connection with reducing or discharging any liability incurred in connection with the purchase of shares in the Company.

5. **COMPULSORY REDEMPTION MECHANISM**

5.1 The Directors may, at their discretion, choose to compulsorily redeem some or all of the shares in the capital of the Company in issue.

5.2 Where the Directors exercise their discretion to redeem compulsorily a given percentage of the shares of any class in issue, the Company will make a Redemption Announcement in advance of the relevant Redemption Date. The Redemption Announcement will include the following detail:

5.2.1 the aggregate amount to be distributed to shareholders of the relevant class;

5.2.2 the Relevant Percentage of each class of shares to be redeemed (pro rata as between the holders of shares of the relevant class as at the Redemption Record Date);

5.2.3 a timetable for the redemption and distribution of redemption proceeds, including the Redemption Date and the Redemption Record Date;

5.2.4 the Redemption Price per share in respect of each class of shares;

5.2.5 a new International Securities Identification Number (ISIN) in respect of each class of shares which will continue to be listed following the relevant Redemption Date; and

5.2.6 any additional information that the Directors deem necessary in connection with the redemption.

5.3 Redemptions of shares will become effective on each Redemption Date, being a date chosen at the Directors' absolute discretion, as determined by the Directors to be in the best interest of shareholders as a whole. In determining the timing of any Redemption Date, the Directors will take into account the amount of cash available for payment of redemption proceeds and the costs associated with the redemption.

5.4 The shares redeemed will be the Relevant Percentage of the shares of the relevant class registered in the names of shareholders on the Redemption Record Date.

5.5 Shareholders will receive the Redemption Price per share of the relevant class in respect of each of their shares redeemed compulsorily.

5.6 The Directors shall be under no obligation to redeem shares pursuant to the above compulsory redemption mechanism.

[5.7](#) The Directors may determine not to redeem compulsorily shares in accordance with the mechanism set out above, and instead make a tender offer to shareholders to purchase their shares. In such circumstances, a tender offer will be made to shareholders in accordance with market practice and in compliance with the Listing Rules and the Companies Law.

6. **CAPITALISATION OF RESERVES**

6.1 The Board in its absolute discretion may resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account, and accordingly that the sum be set free for distribution amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportions on condition that the same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such Members respectively or paying up in full unissued shares of the Company to be issued and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other.

6.2 Whenever such a resolution as aforesaid shall have been passed the Board shall make all the appropriations and applications of the reserves resolved to be capitalised thereby, and all issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Board to make such provision by the issue of fractional certificates or by payment in cash or otherwise as they think fit for the case of shares becoming distributable in fractions, and also to authorise any person to enter on behalf of all the Members entitled thereto into an agreement with the Company providing for the issue to them respectively, credited as fully paid up, of any further shares to which they may be entitled upon such capitalisation, or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the reserves resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such Members.

7. **[NOT USED]**

8. **COMPANY NOT OBLIGED TO RECOGNISE ANY TRUST**

Except as ordered by a court of competent jurisdiction or as required by law the Company shall not be affected or bound by or be compelled in any way to recognise (even when having notice) any equitable contingent future or partial interest in any share or fraction or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right of the registered holder to the entirety of the share and whether or not such share shall be entered in the Register as held in trust nor shall the Company be bound to see to the execution of any trust to which any share may be subject.

9. **POWER TO REQUIRE DISCLOSURE OF BENEFICIAL INTEREST**

- 9.1 The Directors shall have power by notice in writing to require any Member to disclose to the Company the identity of any person other than the Member (an "**interested party**") who has any interest in the shares held by the Member and the nature of such interest.
- 9.2 Any such notice shall require any information in response to such notice to be given in writing within such reasonable time as the Directors shall determine.
- 9.3 The Company shall maintain a register of interested parties to which the provisions of Sections 55 and 58 of the Laws shall apply *mutatis mutandis* as if the register of interested parties was the Register of Members and whenever in pursuance of a requirement imposed on a Member as aforesaid the Company is informed of an interested party the identity of the interested party and the nature of the interest shall be promptly inscribed therein together with the date of the request.
- 9.4 Directors may be required to exercise their powers under Article 9.1 above on the requisition of Members holding at the date of the deposit of the requisition not less than one-tenth of such of the paid-up capital of the Company.
- 9.5 A requisition under Article 9.4 must:-
- 9.5.1 state that the requisitionists are requiring the Company to exercise its powers under this Article;
 - 9.5.2 specify the manner in which they require those powers to be exercised;
 - 9.5.3 give reasonable grounds for requiring the Company to exercise those powers in the manner specified; and
 - 9.5.4 be signed by the requisitionists and deposited at the Office.
- 9.6 A requisition may consist of several documents in like form each signed by one or more requisitionists.
- 9.7 On the deposit of a requisition complying with this section it is the Directors' duty to exercise their powers under Article 9.1 in the manner specified in the requisition.
- 9.8 If any Member has been duly served with a notice given by the Directors in accordance with Article 9.1 and is in default for the prescribed period in supplying to the Company the information thereby required, then the Directors may in their absolute discretion at any time thereafter serve a notice (a "**direction notice**") upon such Member.
- 9.9 A direction notice may direct that, in respect of:-

9.9.1 any shares in relation to which the default occurred (all or the relevant number as appropriate of such shares being the "**default shares**"); and

9.9.2 any other shares held by the Member;

the Member shall not be entitled to vote at a general meeting or meeting of the holders of any class of shares of the Company either personally or by proxy to exercise any other right conferred by membership in relation to meetings of the Company or of the holders of any class of shares of the Company.

9.10 Where the default shares represent at least 0.25% of the class of shares concerned, the direction notice may additionally direct that in respect of the default shares:-

9.10.1 any dividend or part thereof which would otherwise be payable on such shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the Member;

9.10.2 no transfer other than an approved transfer (as set out in Article 9.14.3) of the default shares held by such Member shall be registered unless:-

(a) the Member is not himself in default as regards supplying the information requested; and

(b) when presented for registration the transfer is accompanied by a certificate by the Member in a form satisfactory to the Directors to the effect that after due and careful enquiry the Member is satisfied that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer.

9.11 The Company shall send to each other person appearing to be interested in the shares the subject of any direction notice a copy of the notice, but failure or omission by the Company to do so shall not invalidate such notice.

9.12 If shares are issued to a Member as a result of that Member holding other shares in the Company and if the shares in respect of which the new shares are issued are default shares in respect of which the Member is for the time being subject to particular restrictions, the new shares shall on issue become subject to the same restrictions whilst held by that Member as such default shares. For this purpose, shares which the Company procures to be offered to Members *pro rata* (or *pro rata* ignoring fractional entitlements and shares not offered to certain Members by reason of legal or practical problems associated with offering shares outside the United Kingdom or Guernsey) shall be treated as shares issued as a result of a Member holding other shares in the Company.

9.13 Any direction notice shall have effect in accordance with its terms for as long as the default, in

respect of which the direction notice was issued, continues but shall cease to have effect in relation to any shares which are transferred by such Member by means of an approved transfer as set out in Article 9.14.3(c). As soon as practical after the direction notice has ceased to have effect (and in any event within 7 days thereafter) the Directors shall procure that the restrictions imposed by Articles 9.9 and 9.10 shall be removed and that dividends withheld pursuant to Article 9.10.1 are paid to the relevant Member.

9.14 For the purpose of this Article:-

9.14.1 a person shall be treated as appearing to be interested in any shares if the Member holding such shares has given to the Company a notification which either (a) names such person as being so interested or (b) fails to establish the identities of those interested in the shares and (after taking into account the said notification and any other relevant notification) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares;

9.14.2 the prescribed period in respect of any particular Member is 28 days from the date of service of the said notice in accordance with Article 9.1 except where the default shares represent at least 0.25% of the class of shares concerned in which case such period shall be 14 days;

9.14.3 a transfer of shares is an approved transfer if but only if:-

- (a) it is a transfer of shares to an offeror by way or in pursuance of acceptance of a public offer made to acquire all the issued shares in the capital of the Company not already owned by the offeror or connected person of the offeror in respect of the Company; or
- (b) the Directors are satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the shares to a party unconnected with the Member and with other persons appearing to be interested in such shares; or
- (c) the transfer results from a sale made through a recognised investment exchange (as defined in the Financial Services and Markets Act 2000, as amended) or any stock exchange outside the United Kingdom on which the Company's shares are listed or normally traded.

For the purposes of this sub paragraph any person referred to in Article 24.7 in relation to Directors shall, *mutatis mutandis*, be included amongst the persons who are connected with the Member or any person appearing to be interested in such shares.

9.15 Any Member who has given notice of an interested party in accordance with Article 9.1 who subsequently ceases to have any party interested in his shares or has any other person interested in his shares shall notify the Company in writing of the cessation or change in such

interest and the Directors shall promptly amend the register of interested parties accordingly.

9.16 In addition to the right of the Board to serve notice on any Member pursuant to Article 9.1, the Board may serve notice on any Member requiring that Member to promptly provide the Company with any information, representations, certificates or forms relating to such Member (or its direct or indirect beneficial owners or account holders) that the Board determines from time to time are necessary or appropriate for the Company to (and each Member shall promptly notify the Company upon any change in circumstances that could affect the accuracy or correctness of the information, representations, certifications or forms so provided):

9.16.1 satisfy any account or payee identification, documentation or other diligence requirements and any reporting requirements imposed under (i) sections 1471 to 1474 of the United States Internal Revenue Code of 1986 , the Treasury Regulations thereunder, and official interpretations thereof; (ii) any similar legislation, regulations or guidance enacted in any jurisdiction that seeks to implement a similar tax reporting or withholding tax regime; (iii) any intergovernmental agreement, treaty or other agreement entered into in order to comply with, facilitate, supplement or implement any legislation, regulations or guidance described in clause (i) or (ii) above; and (iv) any legislation, regulations or guidance that gives effect to any matter described in clauses (i) through (iii) above ("**FATCA**"); or

9.16.2 avoid or reduce any tax otherwise imposed by FATCA (including any withholding upon any payments to such Member by the Company); or

9.16.3 permit the Company to enter into, comply with, or prevent a default under or termination of, an agreement of the type described in section 1471(b) of the US Internal Revenue Code of 1986.

If any Member (a "**Defaulting Member**") is in default of supplying to the Company the information referred to above within the prescribed period (which shall not be less than 28 days after the service of the notice) the Member shall be deemed to be a non-qualified holder for the purposes of Article 14.14.

9.17 The Company or its agents shall, if required to do so under the legislation of any jurisdiction to which any of them are subject, be entitled to release or disclose any information in their possession regarding the Company or its affairs or any of its Members (or their direct or indirect owners or account holders), including without limitation information required under FATCA. In making payments to or for the benefit of Members, the Company may also make any withholding or deduction required by FATCA.

10. **CERTIFICATES AND REGISTER OF MEMBERS**

10.1 Subject to the Laws, the Board may issue shares as Certificated shares or as Uncertificated

shares in its absolute discretion.

10.2 Subject to Article 10.1, the Company shall issue:-

10.2.1 without payment one certificate to each person for all his shares of each class and when part only of the shares comprised in a certificate is sold or transferred a balance certificate; or

10.2.2 upon payment of such sum as the Board may determine several certificates each for one or more shares of any class.

10.3 Any certificate issued shall specify the shares to which it relates and the amount paid up and the distinguishing numbers (if any).

10.4 All forms of certificate for shares or debentures or representing any other form of security (other than letters of allotment scrip certificates and other like documents) may if determined by the Board be issued under the common signature of the Company and may be signed mechanically.

10.5 If a share certificate is issued and is defaced lost or destroyed it may be replaced or renewed without charge (other than exceptional out of pocket expenses) on such terms (if any) as to evidence and indemnity as the Board thinks fit.

10.6 Shares of any class may be traded through an electronic settlement system and held in Uncertificated form in accordance with such arrangements as may from time to time be permitted by any statute, regulation, order, instrument or rule in force affecting the Company. Amendments to these Articles which may be necessary or expedient for this purpose may be made by special resolution but will not be deemed to vary the rights of any class of shares.

10.7 The Company shall keep the Register at the Office in accordance with the Laws.

10.8 The Company shall not be bound to register more than 4 persons as the joint holders of any share or shares. In the case of a Certificated share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to one of the joint holders shall be sufficient delivery to all.

11. **LIEN**

11.1 The Company shall have a first and paramount lien (extending to all dividends payable) on all shares (not being fully paid) for all moneys whether presently payable or not called or payable at a fixed time in respect of those shares and for all the debts and liabilities of the holder to the Company and that whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person (other than such holder) and whether the time for payment or discharge shall have arrived or not and notwithstanding that the same

are joint debts or liabilities of such holder and any other person (whether a Member or not).

- 11.2 For the purpose of enforcing such lien, the Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable, and giving notice of intention to sell in default, shall have been served on the holder for the time being of the shares or the person entitled by reason of his death or bankruptcy to the shares. For the purpose of giving effect to any such sale the Directors may authorise some person to transfer to the purchaser thereof the shares so sold.
- 11.3 The net proceeds of such sale, after payment of the costs of such sale, shall be applied in or towards payment or satisfaction of the debt or liability in respect whereof the lien exists, so far as the same is presently payable and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the time of the sale. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in relation to the sale.

12. **CALLS ON SHARES**

- 12.1 The Board may at any time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value or by way of premium and not by the conditions of allotment made payable at fixed times) and each Member shall pay to the Company at the time and place appointed the amount called. A call may be revoked or postponed.
- 12.2 Joint holders shall be jointly and severally liable to pay calls.
- 12.3 If a sum called in respect of a share is not paid before or on the day appointed the person from whom the sum is due shall pay interest from the day appointed to the time of actual payment at such rate (not exceeding 15 per cent per annum) as the Board may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest wholly or in part.
- 12.4 Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date shall for the purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable and in the case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
- 12.5 Directors may, if they think fit, receive from any Member willing to advance the same all or any

part of the money uncalled and unpaid upon the shares held by him beyond the sums actually called up thereon as payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received, the Company may (until the same would, but for such advance, become presently payable) pay interest at such rate as the Member paying such sum and the Directors agree upon **PROVIDED THAT** any amount paid up in advance of calls shall not entitle the holder of the shares upon which such amount is paid to participate in respect thereof in any dividend until the same would but for such advance become presently payable.

12.6 The Board may on an issue of shares differentiate between holders as to amount of calls and times of payment.

13. **FORFEITURE AND SURRENDER OF SHARES**

13.1 If a Member fails to pay any call or instalment on the day appointed, the Board may at any time during such period as any part remains unpaid serve notice requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued and any expenses which may have been incurred by the Company by reason of non-payment.

13.2 The notice shall state a further day on or before which the payment required by the notice is to be made and the place where the payment is to be made and that in the event of non-payment the shares in respect of which the call was made or instalment is payable will be liable to be forfeited. If the requirements of any such notice are not complied with any share in respect of which the notice has been given may at any time before payment has been made be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before the forfeiture.

13.3 Notice of forfeiture shall forthwith be given to the former holder and an entry of such notice and forfeiture shall forthwith be made and dated in the Register opposite the entry of the share; but no forfeiture shall be in any manner invalidated by any omission or neglect to give notice or to make entry.

13.4 A forfeited share shall be deemed to be the property of the Company and may be sold re-allotted or otherwise disposed of on such terms as the Board shall think fit with or without all or any part of the amount previously paid on the share being credited as paid and at any time before a sale or disposition the forfeiture may be cancelled.

13.5 A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall notwithstanding the forfeiture remain liable to pay to the Company all monies which at the date of forfeiture were presently payable by him to the Company in respect of the shares with interest thereon from the date of forfeiture until payment at such rate (not

exceeding 15 per cent per annum) as the Directors may determine and the Directors may enforce payment without any allowance for the value of the shares at the time of forfeiture.

- 13.6 The Board may accept from any Member on such terms as shall be agreed a surrender of any shares in respect of which there is a liability for calls. Any surrendered share may be disposed of in the same manner as a forfeited share.
- 13.7 A declaration in writing by a Director or the Secretary that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on the date stated in the declaration shall be conclusive evidence of the facts therein as against all persons claiming to be entitled to the shares.
- 13.8 The Company may receive the consideration given for any share on any sale or disposition and may execute a transfer of the share in favour of the person to whom the same is sold or disposed of and he shall thereupon be registered as the holder and shall not be bound to see to the application of the purchase money nor shall his title be affected by any irregularity or invalidity in forfeiture sale re-allotment or disposal.

14. **TRANSFER AND TRANSMISSION OF SHARES**

- 14.1 Under and subject to the Regulations and the Rules, the Directors shall have power to implement such arrangements as they may, in their absolute discretion, think fit in order for any class of shares to be admitted to settlement by means of an Uncertificated System. Where they do so, Articles 14.2 and 14.3 shall commence to have effect immediately prior to the time at which the relevant Authorised Operator admits the class to settlement by means of the relevant Uncertificated System.
- 14.2 In relation to any class of shares which, for the time being, an Authorised Operator has admitted to settlement by means of an Uncertificated System, and for so long as such class remains so admitted, no provision of these Articles shall apply or have effect to the extent that it is in any respect inconsistent with:-
- 14.2.1 the holding of shares of that class in Uncertificated form;
 - 14.2.2 the transfer of title to shares of that class by means of that Uncertificated System; or
 - 14.2.3 the Regulations and the Rules.
- 14.3 Without prejudice to the generality of Article 14.2 and notwithstanding anything contained in these Articles where any class of shares is, for the time being, admitted to settlement by means of an Uncertificated System:-
- 14.3.1 such securities may be issued in Uncertificated form in accordance with and subject as provided in the Regulations and the Rules;

- 14.3.2 unless the Directors otherwise determine, such securities held by the same holder or joint holder in Certificated form and Uncertificated form shall be treated as separate holdings;
- 14.3.3 such securities may be changed from Uncertificated to Certificated form, and from Certificated to Uncertificated form, in accordance with and subject as provided in the Regulations and the Rules;
- 14.3.4 title to such of the shares as are recorded on the Register as being held in Uncertificated form may be transferred only by means of an Uncertificated System and as provided in the Regulations and the Rules and accordingly (and in particular) no provision of these Articles shall apply in respect of such shares to the extent that those Articles require or contemplate the effecting of a transfer by an instrument in writing and the production of a certificate for the security to be transferred;
- 14.3.5 the Company shall comply in all respects with the Regulations and the Rules;
- 14.3.6 no provision of these Articles shall apply so as to require the Company to issue a certificate to any person holding such shares in Uncertificated form;
- 14.3.7 the maximum number of joint holders of a share shall be four;
- 14.4 Words and expressions not specifically defined in this Article shall bear the same meaning as those words and expressions defined in the Regulations and the Rules.
- 14.5 Subject to such of the restrictions of these Articles as may be applicable:-
 - 14.5.1 any Member may transfer all or any of his Uncertificated shares by means of the Uncertificated System in such manner provided for, and subject to the Regulations and the Rules and accordingly no provision of these Articles shall apply in respect of an Uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a certificate for the shares to be transferred;
 - 14.5.2 any Member may transfer all or any of his Certificated shares by an instrument of transfer in any usual form or in any other form which the Board may approve; and
 - 14.5.3 an instrument of transfer of a Certificated share shall be signed by or on behalf of the transferor and, unless the share is fully paid, by or on behalf of the transferee. An instrument of transfer of a Certificated share need not be under seal.
- 14.6 Every instrument of transfer of a Certificated share shall be left at the Office or such other place as the Board may prescribe with the certificate of every share to be transferred and such other evidence as the Board may reasonably require to prove the title of the transferor or his right to

transfer the shares; and the transfer and certificate shall remain in the custody of the Board but shall be at all reasonable times produced at the request and expense of the transferor or transferee or their respective representatives. A transfer in respect of shares which are not fully paid shall also be signed by the transferor. A new certificate shall be delivered free of charge to the transferee after the transfer is completed and registered on his application and when necessary a balance certificate shall be delivered if required by him in writing.

14.7 The Board may, in its absolute discretion and without giving a reason, refuse to register a transfer of any share in Certificated form or (to the extent permitted by the Regulations and the Rules) Uncertificated form which is not fully paid or on which the Company has a lien provided or if:-

14.7.1 it is in respect of more than one class of shares;

14.7.2 it is in favour of more than four joint transferees;

14.7.3 in the case of Certificated shares, it is delivered for registration to the Office or such other place as the Board may decide, accompanied by the certificate for the shares to which it relates and such other evidence as the Board may reasonably require to prove title of the transferor and the due execution by him of the transfer or, if the transfer is executed by some other person on his behalf, the authority of that person to do so; and

14.7.4 it is in favour of any person in breach of any law or requirement of any country or governmental or regulatory authority or by virtue of which such person is not qualified to hold such shares or by any person or persons in circumstances (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons, connected or not, or any other circumstances appearing to the Directors to be relevant) which will or may result in the Company incurring any liability to taxation or suffering any pecuniary or other administrative disadvantage which the Company might not otherwise have incurred or suffered,

provided in the case of a listed share such refusal to register a transfer would not prevent dealings in the share from taking place on an open and proper basis on the relevant stock exchange.

14.8 The Board may decline to register a transfer of an Uncertificated share which is traded through an Uncertificated System and subject to and in accordance with the Regulations and the Rules.

14.9 If the Board refuses to register the transfer of a share they shall, within two months after the date on which the transfer was lodged with the Company, send notice of the refusal to the transferee.

14.10 The registration of transfers may be suspended at such times and for such periods (not exceeding 30 days in any one year) as the Board may decide and either generally or in respect of

a particular class of share except that, in respect of any shares which are participating shares in an Uncertificated System, the Register shall not be closed without the consent of the relevant Authorised Operator. Any such suspension shall be communicated to the Members, giving reasonable notice of such suspension by means of an RIS.

- 14.11 No fee shall be payable to the Company in respect of the registration of any transfer, probate, letters of administration, certificate of marriage or death, power of attorney, instruction or other document relating to or affecting the title to any shares.
- 14.12 On the death of a Member the survivors where the deceased was a joint holder and the executors of the deceased where he was a sole holder shall be the only persons recognised by the Company as having any title to or interest in his shares; but nothing herein shall release the estate of a deceased joint holder from any liability in respect of any share jointly held.
- 14.13 A person so becoming entitled to a share in consequence of the death, bankruptcy or incapacity of a Member shall have the right to receive and may give a discharge for all dividends and other money payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, or save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share PROVIDED ALWAYS that the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Board may thereafter withhold all dividends or other monies payable or other advantages due in respect of the share until the requirements of the notice have been complied with.
- 14.14 If it shall come to the notice of the Directors that any shares are owned directly or beneficially by any person in breach of any law or requirement of any country or governmental or regulatory authority or by virtue of which such person is not qualified to hold such shares or by any person or persons in circumstances (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons, connected or not, or any other circumstances appearing to the Directors to be relevant) which will or may result in the Company incurring any liability to taxation or suffering any pecuniary or other administrative disadvantage which the Company might not otherwise have incurred or suffered, the Directors may give notice to such person requiring him (i) to provide the Directors within thirty days with sufficient satisfactory documentary evidence to satisfy the Directors that such person will not cause the Company to suffer the relevant liability to taxation or pecuniary or other disadvantage as a result of his holding of shares or (ii) to sell or transfer his ordinary shares to a person who would not cause the Company to suffer the relevant liability to taxation or pecuniary or other administrative disadvantage within thirty days and within such thirty days to provide the Directors with satisfactory evidence of such sale or transfer. If any person upon whom such a notice is served pursuant to this sub-paragraph does not within thirty days after such notice transfer his ordinary shares to a person qualified to own the same or establish to the satisfaction

of the Directors (whose judgment shall be final and binding) that he is qualified and entitled to own the ordinary shares he shall be deemed upon the expiration of such thirty days to have forfeited his ordinary shares and the Directors shall be empowered at their discretion to (a) follow the procedure pursuant to Article 13 or (b) if the Directors in their absolute discretion so determine, to the extent permitted under the Regulations and the Rules, may arrange for the Company to sell the share at the best price reasonably obtainable to any other person so that the share will cease to be held such person, in which event the Company may, but only to the extent permitted under the Regulations and the Rules, take any action whatsoever that the Directors consider necessary in order to effect the transfer of such share by the holder of such share (including where necessary requiring the holder in question to execute powers of attorney or other authorisations, or authorising an officer of the Company to deliver an instruction to the relevant Authorised Operator), and the Company shall pay the net proceeds of sale to the former holder upon its receipt of the sale proceeds and the surrender by him of the relevant share certificate or, if no certificate has been issued, such evidence as the Directors may reasonably require to satisfy themselves as to his former entitlement to the share and to such net proceeds of sale and the former holder shall have no further interest in the relevant shares or any claim against the Company in respect thereof. No trust will be created and no interest will be payable in respect of such net proceeds of sale.

15. ALTERATION OF CAPITAL

15.1 The Company at any time may by ordinary resolution increase the share capital by such sum to be divided into shares of such amount as the resolution shall prescribe.

15.2 Subject to the terms and rights attaching to the shares and these Articles, any new shares shall be of such class and amount and have such preference or priority as regards dividends or in the distribution of assets or as to voting or otherwise over any other shares of any class whether then issued or not or be subject to such stipulations deferring them to any other shares with regard to dividends or in the distribution of the assets as the Board may determine.

15.3 Subject as provided elsewhere in these Articles, the Company may by ordinary resolution:-

15.3.1 consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;

15.3.2 subdivide all or any of its shares into shares of smaller amount than is fixed by the Memorandum so however that in subdivision the proportion between the amount paid and the amount if any unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived and so that the resolution whereby any share is subdivided may determine that as between the holders of the shares resulting from subdivision one or more of the shares may have such preferred deferred or other rights over the others as the Company has power to attach to unissued or new shares;

- 15.3.3 cancel any shares which at the date of the resolution have not been taken or agreed to be taken by any person and diminish the amount of its authorised share capital by the amount of the shares so cancelled;
 - 15.3.4 convert all or any of its fully paid shares into stock and reconvert that stock into paid-up shares of any denomination;
 - 15.3.5 convert all or any of its fully paid shares the nominal amount of which is expressed in a particular currency into fully paid shares of a nominal amount of a different currency, the conversion being effected at the rate of exchange (calculated to not less than 3 significant figures) current on the date of the resolution or on such other date as may be specified therein; and
 - 15.3.6 where its share capital is expressed in a particular currency or former currency, denominate or redenominate it, whether by expressing its amount in units or subdivisions of that currency or former currency, or otherwise.
- 15.4 The Board on any consolidation of shares may deal with fractions of shares in any manner.
- 15.5 The Company may by ordinary resolution reduce its share capital in any manner for the time being permitted by the Laws.

16. GENERAL MEETINGS

- 16.1 General meetings (which are annual general meetings) shall be held once at least in each subsequent calendar year. All general meetings (other than annual general meetings) shall be called extraordinary general meetings. General meetings shall be held in Guernsey or such other place as may be determined by the Directors from time to time.
- 16.2 A Member shall not be entitled in respect of any share held by him to attend or vote (either personally or by representative or by proxy) at any general meeting or separate class meeting of the Company unless all calls due from him in respect of that share have been paid.
- 16.3 A Member shall not, if the Directors so determine, be entitled in respect of any share held by him to attend or vote (either personally or by representative or by proxy) at any general meeting or separate class meeting of the Company or to exercise any other right conferred by membership in relation to any such meeting if he or any other person appearing to be interested in such shares has failed to comply with a notice requiring the disclosure of Members' interests and given under the Articles within 14 days, in a case where the shares in question represent at least 0.25 per cent. of their class, or within 28 days, in any other case, from the date of such notice. The restrictions will continue until the information required by the notice is supplied to the Company or until the shares in question are transferred or sold in circumstances specified for this purpose in the Articles.

- 16.4 A Member participating by video link or telephone conference call or other electronic or telephonic means of communication in a meeting shall be treated as forming part of the quorum of that meeting provided that the Members present at the meeting can hear and speak to the participating Member.
- 16.5 A video link or telephone conference call or other electronic or telephonic means of communication in which a quorum of Members participates and all participants can hear and speak to each other shall be a valid meeting which shall be deemed to take place where the chairman is present unless the Members resolve otherwise.
- 16.6 Any general meeting convened by the Board, unless its time shall have been fixed by the Company in general meeting or unless convened in pursuance of a requisition may be postponed by the Board by notice in writing and the meeting shall, subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.
- 16.7 The Board may whenever it thinks fit and shall on the requisition in writing of one or more holders representing more than one-tenth of the issued share capital of the Company upon which all calls or other sums then due have been paid, forthwith proceed to convene an extraordinary general meeting.
- 16.8 The requisition shall be dated and shall state the object of the meeting and shall be signed by the requisitionists and deposited at the Office and may consist of several documents in like form each signed by one or more of the requisitionists.
- 16.9 If the Board does not proceed to cause a meeting to be held within 21 days from the date of the requisition being so deposited the requisitionists or a majority of them in value may themselves convene the meeting.
- 16.10 Any meeting convened by requisitionists shall be convened in the same manner (as nearly as possible) as that in which meetings are convened by the Board.
17. **NOTICE OF GENERAL MEETINGS**
- 17.1 Not less than 14 days notice specifying the time and place of any general meeting and specifying also in the case of any special business the general nature of the business to be transacted shall be given by notice sent by post by the Secretary or other officer of the Company or any other person appointed in that behalf by the Board to such Members as are entitled to receive notices provided that with the consent in writing of all the Members entitled to receive notices of such meeting a meeting may be convened by a shorter notice or at no notice and in any manner they think fit. In every notice there shall appear a statement that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not be a Member.

17.2 The accidental omission to give notice of any meeting to or the non-receipt of such notice by any Member shall not invalidate any resolution (or any proposed resolution otherwise duly approved) passed or proceeding at any meeting.

18. **PROCEEDINGS AT GENERAL MEETINGS**

18.1 The ordinary business of a general meeting shall be to receive and consider the profit and loss account and the balance sheet of the Company and the reports of the Directors and the Auditors, to elect Directors and appoint Auditors in the place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction or declare dividends and to transact any other ordinary business which ought to be transacted at such meeting. All other business shall be deemed special and shall be subject to notice as hereinbefore provided.

18.2 The quorum for a general meeting shall be two Members present in person or by proxy.

18.3 If within five minutes from the time appointed for the meeting a quorum is not present, the meeting if convened by or upon a requisition shall be dissolved. If otherwise convened it shall stand adjourned to such day and at such time and place as the Board may determine and (subject to Article 18.5) no notice of adjournment need be given. On the resumption of an adjourned meeting, those Members present in person or by proxy shall constitute the quorum.

18.4 At any general meeting the Chairman of the Directors, failing whom a Deputy Chairman, failing whom any Director present and willing to act and, if more than one, chosen by the Directors present at the meeting, shall preside as chairman. If no Director is present within five minutes after the time appointed for holding the meeting and willing to act as chairman, the Members present and entitled to vote shall choose one of their number to be chairman of the meeting.

18.5 The chairman may with the consent of any meeting at which a quorum is present and shall if so directed by the meeting adjourn the meeting at any time and to any place but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for 30 days or more notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

18.6 In the case of a resolution duly proposed as a special or extraordinary resolution, no amendment thereto (other than an amendment to correct a patent error) may be considered or voted upon. In the case of a resolution duly proposed as an ordinary resolution no amendment thereto (other than an amendment to correct a patent error) may be considered or voted upon unless either (a) at least two Business Days prior to the date appointed for holding the meeting or adjourned meeting at which such ordinary resolution is to be proposed notice in writing of the terms of the amendment and intention to move the same has been received by the Company or (b) the chairman of the meeting in his absolute discretion decides that it may be considered or voted

upon. With the consent of the chairman of the meeting, an amendment may be withdrawn by its proposer before it is put to the vote. If an amendment shall be proposed to any resolution under consideration but shall be ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling.

18.7 At any meeting, a resolution put to the vote shall be decided by a show of hands or by a poll at the option of the chairman. Nevertheless before or on the declaration of the result a poll may be demanded:-

18.7.1 by the chairman; or

18.7.2 by one Member present in person or by proxy provided he represents at least one-tenth of the subscribed capital; or

18.7.3 by two Members present in person or by proxy.

The demand for a poll may be withdrawn.

18.8 Unless a poll be demanded a declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously or by a particular majority or lost and an entry to that effect in the minute book shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded.

18.9 A poll if demanded shall be taken at the meeting at which the same is demanded or at such other time and place as the chairman shall direct and the result shall be deemed the resolution of the meeting.

18.10 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The chairman may, in the event of a poll appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

18.11 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than 30 days from the date of the meeting or adjourned meeting at which the poll was demanded.

18.12 In case of an equality of votes on a poll the chairman shall have a second or casting vote in addition to any other vote he may have.

19. **VOTES OF MEMBERS**

19.1 A Member shall not, if the Board so determines, be entitled in respect of any share held by him

to attend or vote (either personally or by duly authorised corporate representative or by proxy) at any general meeting or separate class meeting of the Company or to exercise any other right conferred by membership in relation to any such meeting if he or any other person appearing to be interested in such shares has failed to comply with a notice requiring the disclosure of Member's interests and given under the Articles within 14 days, in a case where the shares in question represent at least 0.25 per cent. of the number of shares in issue of the class of shares concerned, or within 28 days, in any other case, from the date of such notice. The restrictions will continue until the information required by the notice is supplied to the Company or until the shares in question are transferred or sold in circumstances specified for this purpose in the Articles.

- 19.2 Subject to any special rights or restrictions for the time being attached to any class of share:-
- 19.2.1 On a show of hands every Member present in person shall have one vote.
- 19.2.2 On a poll every Member present in person or by proxy shall have one vote for each share held by him.
- 19.3 Where there are joint registered holders of any share such persons shall not have the right of voting individually in respect of such share but shall elect one of their number to represent them and to vote whether in person or by proxy in their name. In default of such election the person whose name stands first on the Register shall alone be entitled to vote.
- 19.4 Any Member being under any legal disability may vote by his curator or other legal guardian. Any of such persons may vote either personally or by proxy.
- 19.5 On a poll votes may be given either personally or by proxy and a Member entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way. A proxy need not be a Member. An instrument of proxy may be valid for one or more meetings.
- 19.6 No Member shall be entitled to be present or take part in any proceedings or vote either personally or by proxy at any meeting unless all calls due from him have been paid.
